

# THE DANCE COLLECTIVE

## COVID GUIDELINES

### COVID GUIDELINES

- Teachers will wear PPE (Personal Protective Equipment) at all times.
- Classes will be held at limited capacity to allow for social distancing.
- Students will be REQUIRED to wear a mask to enter the studio. However, the studio will NOT be selling or providing masks to clients, and you will not be allowed to enter the building without one.
- We will mark spots on the floor to ensure safe distancing.
- The Kids need to Bring Their own water.
- Our cubby room will not be in use, nothing can be left overnight at the studio.
- We will have grace periods between classes to allow time for students to exit, before we allow more students to enter. During this time, door handles, toilet handles, faucets etc will be disinfected.
- You will be required to stay in your cars and enter 1 by 1 to promote social distancing. A TDC Staff will call One by One to enter the Studio.
- All students' parents will need to sign the waiver with regard to Covid19. Without a signed waiver, your child will not be allowed to dance at the studio.
- All of this we are doing to help keep your child , our teachers and The Dance Collective safe.

In order for this to work, we ask only for your patience and understanding. If we work together, we can start to recover from this awful situation, and you can start to enjoy being in class with their friends.

The waiver has to be signed and sent via email. I have attached it to this letter. Private lessons for any occasion can be booked immediately by emailing us at [team@thedancecollective.com](mailto:team@thedancecollective.com).

Livestream sessions will continue as well.
